In my opinion going to Portugal was great experience. I really liked the trip to palace and garden Quinta da Regaliera. It was interesting and nice trip. I was also impressed about their school. It was so colorful. In school I met a lot of new people with I'm still in touch. I checked myself in English and I visited Portugal, which was beautiful.

In my opinion, the trip to Portugal was an amazing experience that I will never forget. One of the things that I liked the most was the boat cruise and seeing dolphins because I had a chance to see these beautiful sea creatures up close which doesn't happen every day. I also liked very much that I could improve my English and meet many wonderful people from many countries and visit Portugal. I'm glad I had the chance to experience it!
